Dear Sponsor,

Are you ready to have an incredible time while supporting our heroes? We hope this message finds you in great spirits and excited to join us for an event that blends fun, community, and a meaningful cause: supporting our first responders.

We're excited to announce the **2nd Annual Fundraiser for First Responders Pickleball Tournament**, taking place on **November 15-16, 2025**. This event is in proud support of Tunnel to Towers (T2T), with all proceeds benefiting this incredible organization. Since 9/11, T2T has made a lasting impact on the lives of our Floridian first responders. To date, they've built 15 mortgage-free Smart Homes for severely injured veterans and first responders, and paid off 39 mortgages to provide stability to struggling families. T2T is also working to end veteran homelessness with the development of Veterans Villages in Jacksonville and Orlando, and a new village is already under construction in Bradenton, FL.

We believe it's our responsibility to show gratitude and support for these heroes who risk everything to keep us safe. Pickleball, with its friendly competition and inclusive nature, is the perfect way to come together and make a difference. Our event promises to be a day full of excitement, camaraderie, and, of course, plenty of pickleball action!

But we can't do this without you. We need the support of generous sponsors like you to ensure the success of this event and amplify our impact. By becoming a sponsor, you'll not only support our first responders but also gain valuable exposure for your brand and deepen your connection to the community.

Here's how you can make a difference:

- **Direct Impact:** Your contribution will go directly to supporting first responders, providing them with the recognition and resources they need and deserve.
- **Visibility:** Your brand will be featured on event materials, including signage and promotional content, giving you exposure to a wide audience of participants and supporters.
- **Engagement:** Connect with the community by hosting a vendor table at the tournament, where you'll meet other supporters, participants, and spectators.
- **Gratitude:** We will recognize and thank you during the event and beyond, showcasing your commitment to supporting our heroes.

Please consider partnering with us for this worthy cause. Together, we can make a meaningful difference in the lives of our first responders and show them the appreciation and support they deserve.

Thank you and we can't wait to see you on the pickleball court!
